

### **REMARKS**

This Preliminary Amendment is being filed under 37 C.F.R. § 1.53(b) concurrently with a divisional application of U.S. Serial No. 10/308,803, filed December 3, 2002. Applicant claims priority to the above referenced application.

Claim 19 has been amended and claims 1-17 have been canceled without prejudice. Thus, claims 18-25 are pending in the present divisional application. With reference to claim 19, Applicant, in reviewing the Office Action, realized that claim 19 included a typographical error. Claim 19 inadvertently depends from Claim 1 instead of Claim 18 as intended. Accordingly, by this Preliminary Amendment Claim 19 has been amended to depend from Claim 18. Applicant respectfully submits that no new matter has been added.

### **CONCLUSION**

The enclosed application papers include a copy of the application as originally filed. A duplicate copy of this paper is enclosed. Applicant respectfully requests early examination and favorable consideration of the pending claims. Should the Examiner have any questions concerning the foregoing, Applicant requests that the Examiner contact Applicants attorney, John Fitzgerald, at 310-242-2667.
